

Thank you to our 2007 contributors!

Thanks to the generosity of a number of Minnesota credit unions and organizations, the Family Involvement Council's 2007 Silent Auction was a HUGE success! Just over \$8,500 was raised during the Minnesota Credit Union Network Annual Meeting, thanks to donations made by those listed below. Beginning this year, the total dollar amount raised during the Silent Auction will equal the total scholarship dollars awarded in the following year's competition. **Thank you for your support!**
